

# We're Ready To Protect Your Right To Privacy.

*Where are Al Franken and  
the union big wigs?*

Al Franken, the Minnesota DFL, and union officials support a plan to effectively eliminate Minnesotans' right to a private ballot when it comes to joining a union.

They filed a frivolous lawsuit against us (which they lost) to stop us from telling you the truth about their plans.

We want a public debate, yet they refuse to defend their scheme to hijack privacy in voting. We'll be at the Minnesota State Capitol on October 13th at 1pm to debate. The event will be open to the public; we hope to see you there.
